BUS GUIDE

2021-2022

Who receives a concessionary (free) bus pass?

Any student, up to Year 11, living in one of our catchment villages, but this may be influenced by distance or other considerations.

I live on a bus route but I am not in the catchment?

You can apply for a bus pass from Northamptonshire County Council. If there is sufficient space on the bus you will be granted a pass paying termly or half termly with the required amount. Telephone School Transport for details – 01604 364316. Forms are available from school at Student Services.

I am a Sixth Former in the catchment villages, do I get a pass?

You can obtain a pass from the County Council in advance of joining the Sixth Form. Passes cost £600 a year (Term 1 £100, Term 2 £100, Term 3 £100, Term 4 £100, Term 5 £100, Term 6 £100), but are subsidised. If you apply in the summer holidays and do not come back to Chenderit your cheque is refunded. You may pay termly. A separate application form giving details of the free transport concession criteria is available from Student Services at the school.

What if I forget my pass?

Then you are not entitled to travel on a school bus. If the bus driver checks passes or an inspector checks the bus you may not be allowed to get on.

What if I have lost it?

Then you must go to Student Services and ask for a form for a replacement pass and send to the County Council. Duplicate bus passes will be charged at £15 each.

Student Services will issue a temporary bus pass which are not renewable and only last a maximum of 5 days.
