## **Mike Swann Award – Credit to school and self through excellence**

Mike Swann was a judge on the ‘It’s a Knock-Out’ Television show in the 1980s. (It was a bit like ‘Celebrity Total Wipe Out’). His children came to Chenderit and he was keen to encourage school sport. He donated the ‘Mike Swann’ Trophy, which is awarded each year to the student who we feel, as a PE Department, has brought the most credit to the school and themselves in a sporting context.

## **Sports Leadership Awards**

Students in years 10 and 11 have the opportunity (as part of their core PE) to train to become ‘Sports Leaders’. As part of this they undertake leading a series of PE lessons with primary school children and also help to organise and run various sporting tournaments and events for primary school children, which take place here, at Chenderit. Other students have volunteered their time to run sports clubs and training sessions for other students.

Each year Sports Leaders who have been exceptional are recognised. This year, the awards go to:

## **Colours**

Each year Colour certificates are presented to those students who have performed to a high standard during their time at Chenderit and have regularly participated for the school.

**Half Colours:** School, District Representation, Loyalty and Commitment over a prolonged period of time.

**Full Colours:** County Representation, held in High Esteem, Role of Captain, Devotion and Commitment throughout whole time at school.

However, given such disruption to sport over the last 3 years we took the decision to take extra time for students to re-establish competition to ensure fairness. We will award again in 2022-23 to recognise the excellence of students across the sporting field.

In lieu of 'colours' in 2022 we wish to give a special mention to the following for outstanding sporting achievement. There is undoubtedly more that could and should be on this list, we would love families to keep us updated on the successes that we may not be aware of outside of school across a range of different sports and activities so we can celebrate with students and recognise their achievement!

## **Athletics Records**

There are two types of athletics records kept:

1. those set in competition throughout the season (school record)
2. those set on Sports Day.

We have seen an understandable drop in performance due to limited practice opportunities over the last two years or so, however:

Congratulations to:

- ***Aidan Walker (Year 11) who broke the 800m school record – a 37 year old record.***

# **Victor and Victrix Ludorum**

‘*Victor / Victrix*’ means Winner in Latin and ‘*Ludorum*’ means Games.  
So the title translates as ‘*Winner of the Games*’.

Each year we give out a trophy for our ‘*Winners of the Games*’ - the best male and female competitors on sports day – so those students who have scored the most points for their tutor group.

To qualify for the competition you must compete in four events on sports day – two track and two field. Your points score is then added together for an overall total score.
