For students to be able to participate in educational visits, school organised events or school related activities, good student behaviour is of paramount importance. If a student presents regular poor behaviours in school and/or we consider that the student presents a significant, unmanageable or unacceptable risk to the health, safety and/or welfare of that student or others on the educational visit, including the adult leaders, the student is unlikely to be able to participate.

Places on the trip are limited to 30 students, those who meet the payment deadline will be entered into a lottery and chosen at random. Unsuccessful students will be refunded.

When collecting your child from school following a trip or visit, please be mindful of our neighbours and local community. Please park in the school car park where possible. If you are unable to, please park considerately and do not leave your car idling.
