Aim High, Work Hard, Be Kind

R:\Admin\Front Office\EVA\TRIP LETTERS\GEOG\2026-27\Y7 Village Fieldwork Sept 2026

16 September 2026

Dear Parents and Carers

As part of the first unit of work in Geography, students are examining the skills and basic concepts that they will require to be good geographers.

In order for students to experience a geographical enquiry process and fieldwork, we will be taking the students to three sites in the village within one of their geography lessons during the week of the Monday 21st to Friday 25th September 2026. They will be developing fieldwork skills and data collection techniques such as environmental surveys, place check surveys, and annotating photographs.

The students will be out in the village for about 50 minutes. They will be supervised during this time by staff. Students will return to school within the lesson. It is important that the **students bring a coat for the fieldwork if the weather looks to be wet**. All students will have break and lunch at the normal times.

Yours sincerely

Mrs E Taylor
Head of Geography
